

PROJEKT ELEVATE

***Are you a first generation migrant theatre maker based in the UK?
Are you excited about making co-created work for and with your
local community?***

PROJEKT EUROPA is launching a new opportunity to develop your creative ideas for co-created work in collaboration with your local theatre.

In partnership with Royal & Derngate, Rose Theatre and the Mercury Theatre, PROJEKT EUROPA is awarding 9 micro-commissions to migrant theatre makers to develop ideas for co-created work in their local communities.

If selected, you will work with PROJEKT EUROPA to create an artistically ambitious concept for production, with co-creation at the heart of your idea. Over ten weeks, PROJEKT EUROPA will support and champion you and your work, helping you to develop a strong relationship with your local theatre, with the opportunity to share your idea with the respective artistic leadership team for programming consideration.

Closing date for applications: 6pm, Friday 4th March.
