ABOUT US

Royal & Derngate is Northamptonshire's premier, multi-award-winning arts and entertainment venue based in the historic cultural quarter of Northampton town centre. The venue comprises a 1200 seat multi-purpose auditorium and a 450 seat Victorian playhouse that present high-profile touring shows and artists all year round.

Recent years have seen record audience levels, and in 2019, more than 337,000 people came through our doors to be entertained by our mixed programme of music, comedy, dance and drama, and a further 180,000 engaged with one of our many cultural community outreach projects and popular activities for children and young people.

Named as 'Outstanding Regional Theatre of the Year 2020' in Country Life Magazine and 'Regional Theatre of the Year' by the inaugural Stage 100 Awards in 2010 (an accolade for which we were nominated again in 2016), our reputation as one of the country's major producing venues has been cemented over the last decade, also winning 'Best Presentation of Touring Theatre' in the UK Theatre Awards 2015 for our *Made In Northampton* work.

Alongside touring nationally and internationally, our *Made In Northampton* productions have transferred to the West End and Broadway as well as Shakespeare's Globe, the National Theatre and The Southbank Centre.

WHY YOUR SUPPORT MATTERS

Our vision is to ensure that Royal & Derngate is at the heart of a thriving county where everyone enjoys regular access to exceptional and relevant arts and culture, and as an independent registered charity we rely on the generous support of individuals, businesses and charitable trusts to help us keep ticket prices accessible and deliver transformative creative learning opportunities.

Not only does the support from all our funders help with the day to day running and maintenance of our building spaces, it can also help make our theatres more accessible through captioned, sign language interpreted, audio described, and relaxed performances. It also means we're able to create life changing opportunities for children and young people right here under our roof as well as providing essential cultural and creative education to schools and communities across Northamptonshire.

We are hugely grateful to all of our corporate supporters at Royal & Derngate. We aspire to create long-lasting, mutually valuable associations with all of our members, and are proud that many of our sponsors choose to renew their relationships with us year on year.
